

RITU - XI

DTEA SENIOR SECONDARY SCHOOLS

SUMMATIVE ASSESSMENT 1 - 2014-2015

Class XI - ECONOMIC

Time 3 Hrs.

Max Mark – 100

General Instructions:

- A. All questions in both the sections are compulsory.
- B. Marks for questions are indicated against each.
- C. Question no. 21 is value based question.
- D. Answer should be brief and to the point.

Part A

1. Define Economics. (1)
2. What is meant by a statistical series? (1)
3. What are the main sources of data? (1)
4. What do you mean by Random Sampling? (1)
5. Explain any three functions of statistics. (3)
6. Distinguish between Primary Data and Secondary data. (3)
7. Give six characteristics of a Questionnaire. (3)
8. Following are the marks obtained by 10 students: (3)

50. 54 56 58 59 60 61 62 65 75

Calculate arithmetic average by direct method.

9. The following marks are secured by 25 students in the examination : (3)

23 28 30 32 35 36 40 41 43 44
 45 45 48 49 52 53 54 56 58 61
 62 65 68 68 56

Arrange these data on the frequency distribution (Inclusive method). (4)

10. Present the following data in the form of a Histogram: (4)

Marks	0-10	10-20	20-30	30-40	40-50	50-60	60-70	70-80
Frequency	10	18	24	35	38	20	15	8

OR

Represent the following data with the help of Pie-Diagram:

Items of Expenditure	Expenditure (%)
Food	20
Clothing	10
Fuel and Lighting	25
House Rent	35
Miscellaneous	10

8. Sp

11. Calculate the lower quartile (Q1) and upper Quartile (Q3) from the following data:

Marks:	10	20	30	40	50	60	70
No. of Students:	2	3	5	10	5	3	2

(4)

12. What is meant by tabulation? Briefly discuss its objectives. (4)

13. Calculate the arithmetic average from the following data:

Marks:	0-10	10-20	20-30	30-40	40-50	50-60	60-70	70-80
No. of Students:	3	8	12	16	19	16	11	5

(6)

14. Calculate the medium of the following distribution which gives the marks obtained by students in a certain examination:

Marks:	1-5	6-10	11-15	16-20	21-25
No. of Students:	6	9	15	11	9

(6)

15. Draw a 'less than' ogive and 'more than' ogive curves for the following frequency distribution:

Marks:	0-10	10-20	20-30	30-40	40-50	50-60
No. of Students:	3	4	8	10	3	2

(6)

Part B

16. What was the main focus of the economic policies pursued by the colonial government in India?(1)

17. What do you mean by modernization? (1)

18. Name three multilateral economic institutions. (1)

19. What is the minimum calories intake estimated for rural and urban areas? (1)

20. Write a short note on drain of India's wealth during the British rule. (3)

21. Do you think a rise in outsourcing services to India is a good source of supply of foreign currency and employment generation? (3)

22. Distinguish between absolute and relative poverty. (3)

23. Mention the major functions of world trade organization. (3)

24. What is privatization? Explain three arguments in favour of privatization. (4)

25. Discuss achievements of green revolution. (4)

26. Is there any relationship between unemployment and poverty? Explain. (4)

27. Briefly describe the impact of partition on the Indian economy. (4)

28. Discuss the various causes of poverty. (6)

29. What do you understand by the term 'Gloabalisation'? mention any 4 changes made by the globalization of the Indian Economy (6)

30. Briefly discuss the various reasons for the development of infrastructure by the british government.

OR

Briefly discuss the goals of five year plans.
